

## **REMARKS**

The specification has been amended to comply with preferred USPTO practice. For example, headers have been added and references to the claims have been removed. No new matter has been added.

The original Claims 1-11 from the Patent Cooperation Treaty (PCT) patent application have been amended to remove multiple dependencies, to correct grammar, and to better comply with USPTO practice. No new matter has been added.

New Claims 12-16 are based on original Claims 3 and 6-9, respectively, and have been added to recoup the subject matter from the original multiple dependent Claims 3. No new matter has been added.

New Claim 17 is based on original Claim 4 and claims multiple tabs. No new matter has been added.

New Claim 18 is a combination of the subject matter of original Claims 1, 2, and 3. No new matter has been added.

New Claims 19 and 20 are based on original Claims 4 and 5. No new matter has been added.

A substitute specification and claims are included, which contain all of the amendments, for the examiner's convenience and to use for examination purposes.

Applicants submit that the patent application is in condition for examination and allowance and respectfully request such actions. If the examiner has any questions that can be answered by telephone, please contact the patent attorney of record at the telephone number listed below.

Respectfully submitted,
